

UNITED STATES COURT OF APPEALS FOR THE THIRD CIRCUIT

12-2081

Ross Fiorani v. Chrysler Group, et al

1-12-cv-00416

ORDER

Upon further review, it appears that it would not be appropriate to submit this appeal to a panel of the Court to consider whether summary action is warranted under IOP 10.6. A briefing schedule will be issued. In addition to any other issues that parties may wish to address, the parties are directed to brief the issues of (1) whether the District Court erred in sua sponte dismissing Fiorani's complaint with prejudice due to improper venue; and (2) whether improper venue is a proper ground for finding a complaint frivolous under U.S.C. §1915 (e).

For the Court,

Marcia M. Waldron
Marcia M. Waldron, Clerk
